2. Approval of Previous Minutes

The minutes of the September 21, 2023 board meeting were reviewed and approved unanimously.

3. Q3 2023 Financial Review

Marcus Blackwood presented the financial results for Q3 2023:

- Revenue: \$1,200,000
- Expenses: \$1,050,000
- Net Profit: \$150,000
- Cash Balance (as of September 30, 2023): \$10,350,000

Mr. Blackwood highlighted that Q3 marked the company's first profitable quarter, a significant milestone. He also noted the strong cash position following the successful close of the Series A round in August.

4. Post-Series A Update

Elena Rodriguez provided an update on the company's progress since closing the Series A

funding:

- Key hires have been made in engineering, sales, and customer support.
- The office expansion is complete, providing space for the growing team.
- New project management and CRM systems have been successfully implemented.

5. Product Development and Commercial Rollout

Dr. Rachel Chen reported on product development and commercial installations:

- Five commercial installations have been completed since July.
- Performance data from these installations shows consistent results, meeting or exceeding projections.
- The R&D team has made further improvements, increasing overall system efficiency by 8%.
- A new, smaller turbine model for residential applications is in the final stages of development.

6. Marketing and Business Development Update

Sarah Johnson and Thomas Lee presented updates on marketing and business development:

- The digital advertising campaign launched in Q3 has generated a 300% increase in qualified leads.
- UrbanWind has been featured in three major industry publications, significantly raising the company's profile.
- Partnerships have been established with two additional urban development firms.
- The sales pipeline has grown to \$5M in potential contracts for 2024.

7. 2024 Budget and Strategic Plan

Marcus Blackwood presented the proposed budget for 2024, projecting revenues of \$8M and expenses of \$7M. After discussion and some adjustments, the board unanimously approved the 2024 budget.

Elena Rodriguez then led a discussion on the strategic plan for 2024, focusing on:

- Expanding the product line to include the new residential model.
- Scaling manufacturing capabilities to meet projected demand.
- Exploring international market opportunities, particularly in Europe and Asia.
- Investing in AI and machine learning capabilities to optimize turbine performance.

The board provided input and unanimously approved the strategic plan.

8. Corporate Governance

The board reviewed and approved the following:

- The appointment of Jennifer Wu to the Compensation Committee.
- Updates to the company's data privacy and cybersecurity policies.
- The establishment of an Environmental, Social, and Governance (ESG) Committee.

9. Other Business

- Dr. Rachel Chen announced that a research partnership agreement has been finalized with Stanford University.
- The board discussed the potential timeline for a Series B funding round, tentatively targeted for Q4 2024.

10. Next Meeting

The next board meeting was scheduled for March 21, 2024.

11. Adjournment

There being no further business, the meeting was adjourned at 5:45 PM.

Respectfully submitted,

Marcus Blackwood
