Present:

- Elena Rodriguez (Chairperson)
- Dr. Rachel Chen
- Marcus Blackwood
- Urban Underwood (via video conference)
- Alexander Greenfield (via video conference)

Also Present:

- Jane Smith, Legal Counsel
- Tom Johnson, External Auditor (for financial review portion only)

1. Call to Order

Elena Rodriguez called the meeting to order at 2:00 PM and Marcus Blackwood recorded the minutes.

2. Approval of Previous Minutes

The minutes of the previous board meeting (held on June 15, 2022) were reviewed and approved unanimously.

3. Q2 2022 Financial Review

Marcus Blackwood presented the financial results for Q2 2022:

- **Revenue:** \$250,000
- **Expenses:** \$675,000
- **Net Loss:** \$425,000
- **Cash Balance (as of June 30, 2022):** \$1,575,000

Mr. Blackwood noted that while the company is still operating at a loss, revenue is growing as projected. The board discussed the burn rate and agreed that the current cash position is sufficient for continued operations and planned growth for the next 12-15 months.

4. Product Development Update

Dr. Rachel Chen provided an update on the development of the company's urban wind turbine technology:

- Prototype testing is progressing well, with efficiency rates exceeding initial expectations.
- The team is on track to begin pilot installations in Q4 2022, with several potential sites identified in partnership with urban development firms.
- Supply chain challenges for certain components were discussed, with potential mitigation strategies proposed. The board emphasized the importance of securing reliable suppliers to support the anticipated growth in production.

5. Employee Stock Option Plan

The board reviewed and discussed the proposed Employee Stock Option Plan. After deliberation, the following resolution was unanimously approved:

RESOLVED, that the UrbanWind Technologies, Inc. 2022 Employee Stock Option Plan, as presented to the board, is hereby approved, with a total of 1,000,000 shares of common stock reserved for issuance under the plan.

6. Business Development and Marketing

Elena Rodriguez presented an overview of business development activities:

- Negotiations are underway with three major urban development firms for pilot projects. The board expressed optimism about these potential partnerships and their impact on market validation and revenue generation.
- The marketing team is preparing for a significant industry conference in Q4, where the company will showcase its technology and engage with potential customers and partners.
- A new partnership with a leading sustainability non-profit was announced, aiming to raise awareness of UrbanWind's technology and its positive impact on the environment.

7. Other Business

- The board discussed the potential timeline for a Series A funding round, now targeted for Q1 2023 due to the company's strong financial performance and promising growth prospects. The board agreed to begin preparations for the funding round, including updating the investor pitch deck and financial projections.
- Urban Underwood suggested forming an advisory board of industry experts. The board agreed to revisit this topic in the next meeting after further research and identification of potential candidates.

8. Next Meeting

The next board meeting was scheduled for December 15, 2022.

9. Adjournment

There being no further business, the meeting was adjourned at 4:30 PM.

Respectfully submitted,

Marcus Blackwood
